

Proposed By-law changes

Article III, Meetings of Members

Section 1. Annual Meeting

Change “An Annual Meeting of the members shall be held in September...” to “An Annual meeting of the members shall be held in March...”

The reason for this change is because the District elections are held in February and it is possible for an officer to hold a position when they are no longer an elected Fire District Commissioner. Additionally, it is difficult to conduct the annual election at the September meeting because of the guests at the meeting and activities taking place on that morning.

Article IX, Committees

Section 8. Nominating Committee

Change “There shall be a Nominating Committee.... at the Regular Meeting in March...”
There shall be a Nominating Committee... at the Regular Meeting in September...”

And

Change “A report of the nominating Committee... at the Regular Meeting in June.” to
“A report of the nominating Committee... at the Regular Meeting in December.”

Section 10. Committee Appointments

Change “All committee appointments must be made...no later than October 1st...” to “All committee appointments must be made... no later than April 1st...”
